

YOUNG EUROPEAN ARCHITECTS

daab

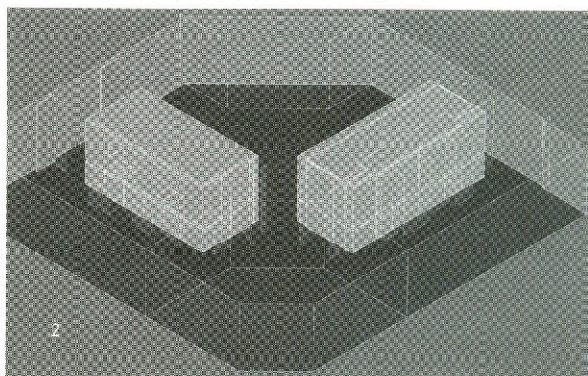

**LÖHMANN'S ARCHITECTURE • URBAN +
INDUSTRIAL DESIGN | AMSTERDAM, THE NETHERLANDS**
Heike Löhmann

Löhmann's Architecture • Urban + Industrial Design was founded by Heike Löhmann in 1996. Their portfolio is characterized by uniqueness and variety; for Löhmann, the design process is not a fixed method, but an un-dogmatic approach developed specifically for each project and each individual client.
